ABOUT ME

Motivated Front-End Developer fresher with a strong foundation in HTML, CSS, and JavaScript. Skilled in creating responsive and visually appealing web pages with attention to usability and clean code. Familiar with basic front-end development concepts, version control using Git, and modern web standards. Eager to apply my skills in real-world projects, learn continuously, and contribute to a collaborative development team.

INTERNSHIP EXPERIENCE

J Click Solutions

05/08/2024-07/08/2024

Completed a web designing internship at J Click Solutions where I assisted in creating and improving website layouts, worked with HTML/CSS to build responsive pages, and supported the design team in implementing client requirements. Gained practical experience in web design principles, attention to detail, and teamwork in a professional environment.
